# RECOVER AMERICA

Mobilizing Pastors  
& Christians To Restore  
Judeo-Christian Values

**Our Mission:** To find, mobilize and equip remnant pastors and their congregations to actively engage in the civil arena, providing Biblical solutions to today's most pressing issues. We are currently focused on encouraging Pastors and their congregations to be engaged in the education of their children and to take a bold stand in the cultural battle to restore Judeo-Christian values in our schools and communities.

"America in the Balance will provoke thought and conversation. As Christians, we are called to be change agents. The Gospel is the tip of our sword. How can we pierce hearts for Christ if we have no point of truth? Thankfully, we have dedicated servants like Rick Scarborough and Steve Feazel, who have written a clarion call to all who serve God and love this country. The thesis is evident in the subtitle: *American Dream vs. Woke Nightmare*. They offer practical recommendations to implement change!"

**-Dr. Ed Young, Senior Pastor, Second Baptist Church, Houston, Texas**

"The authors expose how positions on vital issues by liberals are in direct opposition to biblical truths. This book is a must-read before you vote."

**-Mike Huckabee, Former Governor of Arkansas and Host of the Huckabee TV Show**

"Rick Scarborough and Steve Feazel have produced a book that everyone who is concerned about America's future should read before voting in 2024. They expose the wicked agenda of the Left and what we must do to counter their efforts."

**-Tony Perkins, President of Family Research Council**

"America in the Balance not only diagnoses the ideological disease infecting America, it also explains the protocol to heal our land."

**-Mat Staver, Chairperson of the Liberty Counsel**

"We will be encouraging our vast network of pastors and supporters to read this book. I believe it is that important."

**-Tim Wildmon, President of American Family Association**

## Dr. Rick Scarborough

Dr. Rick Scarborough has had a far-reaching ministry as an ordained minister who is unafraid to stand in the public square for Christ and uphold his Christian values. After calling thousands of pastors to stand up for Christ in the civil arena, in 2016 Dr. Scarborough accepted an invitation to become the Executive Director of the Skyline DC Ministries. The Skyline Church in San Diego, CA. provided Dr. Scarborough and his wife, Tommye, with a condo directly across from the Supreme Court and they began commuting to DC weekly to direct Bible studies with members of Congress, the State Department, and other governmental agencies, including the Pentagon.

After the 2018 elections three former Board Members who served on Dr. Scarborough's Vision America Board urged him to return to Texas and resume his ministry of calling pastors to be "salt and light" in the civil arena. As he prayerfully considered their request, he began reading and hearing about the growing indoctrination of our children by the LGBTQ+ activists in our public school system including the sexualization of children as early as elementary school. He resigned his position in DC and returned to Texas, opening offices in Houston, where he immediately began networking with other pastors and in 2019 more Christians voted in school board elections than in recent history, led by their pastors. Since then, Dr. Scarborough has been speaking out broadly to large and small groups about this wicked assault on our children.

Dr. Scarborough has authored five books and numerous published articles and booklets. His latest book, **"America in the Balance ... the American Dream vs. the Woke Nightmare,"** was released in August 2023, addresses the criminal abuse and mutilation of children by the trans activists and drag queen story times often sponsored by schools and public librarians. His one-minute commentaries, **"I'm Rick Scarborough and This is My Take,"** are currently airing daily on over 300 stations on the Bott Radio Network and the American Family Radio Network through which he addresses the growing evil that threatens America and our freedoms.

Dr. Scarborough received a B.A. from Houston Christian University, an M.Div. from Southwestern Baptist Theological Seminary, and a D. Min. from Louisiana Baptist Theological Seminary, with additional studies at Dallas Theological Seminary, and Mid-America Baptist Theological Seminary. He and his wife, Tommye, have three children, one of whom is in Heaven, four grandchildren, and one great granddaughter.

## The Remnant Alliance

The Remnant Alliance is a team of ministries and faith-based organizations who are committed to providing a clear path for pastors and churches to move into active engagement with the culture for the purpose of restoring God's moral values as the foundation of America's success, while also opposing evil in our land without compromise.

**Recover America's specific role in the Alliance is to seek and find those remnant pastors and faith leaders who are called by God to "stand up, speak up and refuse to give up", and through the Alliance equip them to be God's "Watchmen!"** Our vision is to see God's **Watchmen** engage across our Republic and exercise their leadership role to awaken the sleeping church in America, and in turn, restore the Judeo-Christian foundations that brought America's great blessings and welfare.

## "For such a time as this..." (Esther 4:14)

In the summer of 2023, Recover America accepted an invitation to join with a number of other organizations, each actively engaged in addressing the many anti-God and anti-American cultural issues that are seeking to destroy the Judeo-Christian heritage of this great nation. We believe the body of Christ must engage, and pastors must lead the way. We share a common belief that God is raising up a host of remnant pastors and dedicated Christians who are willing to be actively involved in the civil arena to restore this nation to that which God intended, and to be His **Watchmen...** **"I have set watchmen on your walls, O Jerusalem; (America) They shall never hold their peace day or night. You who make mention of the Lord, do not keep silent, 7 And give Him no rest till He establishes. And till He makes Jerusalem a praise in the earth (Isaiah 62:6-7).**

The Remnant Alliance has been formed to integrate the mobilization, education, training, and provide the structure to support Remnant Pastors with this overarching goal.
